

Name: _____

Congratulations on making it to semester 2! This is when you want to leverage all your time and effort into certifications! Use LearnKey to help you prepare.

Semester 2:

Grading period 3: Your choice:

To earn an **A**:

- Take and pass either the CompTIA A+ OR Network+ certification exam, OR
- Pass a minimum of 3 MTA certification exams (no more than 3 attempts to qualify)

To earn a **B**:

- Take and pass a minimum of 2 MTA certification exams of your choice (no more than 3 attempts)

To earn a **C**:

- Take and pass 2 MOS certification exams of your choice (no more than 3 attempts)

To earn a **D**:

- Pass one MTA or MOS exam (no more than 3 attempts)

To earn an **F**:

- Do not pass any certification exams in the 3rd quarter.

Grading period 4: Your choice:

To earn an **A**:

- Take and pass either the CompTIA A+ or Network+ certification exam, OR
- Pass a minimum of 3 MTA certification exams (no more than 3 attempts to qualify), OR

To earn a **B**:

- Take and pass a minimum of 2 MTA certification exams of your choice

To earn a **C**:

- Take and pass 2 MOS certification exams of your choice (no more than 3 attempts)

To earn a **D**:

- Only pass one MTA or MOS exam (no more than 3 attempts)

To earn an **F**:

- Do not pass any certification exams.

Keep your MTA/MOS score reports! The average score will be used for your Final test score. CompTIA or Cisco certifications are automatic A and A.

Any student passing CCNA will receive A and A for the rest of the year in Cisco.
